AT WEST INDIA QUAY

# SUMMER AT THE DOCKS

**With its waterside location and beautiful Grade I listed features, London Museum Docklands is the perfect setting for your summer party.**

Discover the depths of the Thames and the stories of sailors at London Museum Docklands. Together with award-winning caterer Bovingdons, the museum is offering a selection of packages complemented with street party styling.

The Riverside Room and Muscovado Hall's original exposed brickwork and pine columns will create a unique backdrop for your event and, if the weather is good, you can enjoy our terrace space overlooking the sun-drenched quayside.
